NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Tuesday, July 27, 2021:

            MINUTE entry before the Honorable Steven C. Seeger: The Joint Motion for Court Approval of Settlement and Dismissal of Complaint (Dckt. No. [123]) is hereby granted. The motion itself is rather spartan, spanning only two pages. But the Court read the settlement agreement and reviewed the settlement for fairness, as required by the FLSA. The Court concludes that the settlement is a fair and reasonable resolution of this dispute. The parties reached this settlement after conferences with Judge Cole, so the process inspires confidence. Plaintiff had the benefit of capable counsel, too. The settlement also provides a meaningful recovery for Plaintiff, who otherwise would run the risk of recovering nothing at summary judgment or trial. The Court concludes that the settlement is what it purports to be: a reasonable, good faith resolution of a dispute. Plaintiff's motion to extend the deadline for automatic dismissal with prejudice (Dckt. No. [124]) is hereby granted. The dismissal shall automatically convert to a dismissal with prejudice on August 31, 2021, unless a party seeks and obtains relief from the Court. Mailed notice. (jjr,)
